The Institute for the Development of Young Leaders

Engaging, Educating, and Empowering Future Leaders

Dear IDYL Families,

The Institute for the Development of Young Leaders (IDYL) Charter School is a school where the community supports and encourages the wearing of full school uniforms every day. Students who wear our school uniform every day show pride in their school and a commitment to be a respectful learner.

It is my task to ensure that the policy on school uniforms is communicated appropriately. I would like to thank many of you for your support in implementing the policy on school uniforms. I am sure that you can agree that the policy must be enforced for it to be fair for all students.

Our school uniform includes a burgundy or white collared shirt (short or long sleeve) and gray slacks or pants (NO leggings, tights, or jeans). Female students are allowed to wear a gray or a gray and burgundy plaid skirt or a gray and burgundy plaid jumper dress. With the weather changing, students are allowed to wear a burgundy fleece, sweater, cardigan, or light jacket during the school day. All students are asked to wear dark colored or solid closed toe shoes, (NO CROCS).

The school has a uniform shop on-site and we are very happy to provide assistance for all uniform needs. Uniforms may also be purchased online at www.cookieskids.com and then typing "IDYL" in the search bar. Moving forward, consequences will be issued for students who cannot or choose not to comply with school uniform procedures.

Further inquiries regarding the uniform procedures can be directed to our Director of Student Services, Ms. Brown, at 434-509-2902. Additional information is located on our school's website at www.theidylschool.org.

I am also happy to consider any request for financial assistance with school uniform items. Please email info@theidylschool.org should you have any. Thank you so much for your support in ensuring your child wears our school uniform with pride every day.

Sincerely,

Gail Brown

Familias de IDYL,

El Institute for the Development of Young Leaders (IDYL) es una escuela que apoya a la comunidad y motiva a que los estudiantes usen el uniforme escolar todos los días. Los estudiantes que usan su uniforme demuestran no solo el orgullo hacia su escuela sino que también demuestran respeto hacia el aprendizaje.

Es mi responsabilidad asegurarme que esta política escolar se lleva a cabo. Por tal motivo, me gustaría agradecerles a aquellos que desde ya apoyan esta iniciativa escolar. Estoy segura que ustedes estarán de acuerdo en que esta política sea reforzada de manera que todos la cumplan y así ser siempre justos.

Nuestro uniforme escolar incluye camiseta vinotinto o blanca con cuello (manga corta o manga larga) y pantalones grises. Las estudiantes pueden usar tambien falda gris o vinotinto o un jumper de los mismos colores. En caso de que el clima lo permita, los estudiantes pueden usar un suéter, un cardigan o una chaqueta de colores claros durante el día. Todos los estudiantes deben usar zapatos de color oscuro (NO SE PERMITE EL USO DE CROCS)

Dentro de la misma escuela hay una tienda en la que pueden adquirir los uniformes.También pueden adquirir los uniformes en línea en www.cookieskids.com. Cuando ingresen a la pagina en la búsqueda pueden ingresar "IDYL". Los estudiantes que no sigan estas políticas se les impondrán sanciones disciplinarias.

Si necesitan más información al respecto pueden comunicarse con la Directora de Servicios Estudiantiles, Ms Brown, al teléfono 434-509-2902 o pueden también acceder a nuestro sitio web www.theidylschool.org.

Si necesitan ayuda financiera con los uniformes escolares por favor pueden enviar un correo electronico a info@theidylschool.org . Muchas gracias por su atención al respecto.
